MILLER™

Revolution R6 premium 4-pt

1014257 : S/M DuraFlex®
1014258 : L/XL DuraFlex®
1014259 : XXL DuraFlex®
1014260 : S/M DualTech™
1014261 : L/XL DualTech™
1014262 : XXL DualTech™

DESCRIPTION :

A quantum leap in design, innovation and 21st Century safety technology. Based on key user-identified needs, Miller has developed a new range of fall protection harnesses that meet and/or exceed expectations of users well versed in the delicate balance of safety and functionality while working at height. With the new Revolution harnesses Miller has reinvented the full body harness, redefined comfort levels and reinforced the durability of the product. This Miller R6 Revolution 4-pt Premium Harness is perfect for utilities & telecom. **Engineered with the PivotLink connection at hip level** and cam-buckle webbing adjustment for a more comfortable fit and a greater freedom of movement. **Equipped with automatic buckles, Ergo Armor back shield, pivoting work positioning belt and an anchorage belly point.** This rotating work positioning belt offers a more comfortable fit and a greater mobility. Webbing on the Padded legs straps are sliding, and provide a perfect easy-to-fit.

FEATURES :

Pivot link:

Unique Pivot Link system for better ergonomic fit when bending or squatting
Improved harness resistance in the event of a fall due to a better distribution of the efforts.

Cam-Buckle :

Easy one-hand adjustment/release allows simultaneous adjustment of shoulder straps.
Web Finials on all adjustable webbing ends provide a gripping surface for easier adjustment.

2 available webbing options:

Stretch webbing: DuraFlex
Webbing with shape-retention memory: DualTech

ErgoArmor™ back Shield :

Possibility of personalization with labels
Better comfort & support
Ergonomic & optimum circulation

Work positioning belt :

Comfortable and large back – padding

Integrated accessory system :

Attach/remove accessories for greater comfort and convenience.

Self contained Label pack :

Durable polymer integrated pack encapsulates labels minimizing damage and loss. Protection against light, rain, abrasion, dusts...

4 points :

Side anchorage: to connect the positioning lanyard
Rear and front : Fall arrest
Belly point: ladder access system (EN 813)

Buckles :

Increased safety of use
Quality guaranty against ageing
Easy and quick adjustment

3 sizes available :

1014257-1014260 : Size S/M
1014258-1014261: Size L/XL
1014259-1014262: Size XXL
