Product information

This lightweight jacket guarantees the wearer full protection against wet and windy conditions. It is completely windproof, waterproof and breathable and provides an extremely comfortable fit. The fleece lined chinguard and collar provide extra warmth and the detachable hood has been cleverly shaped so as not to obstruct the wearers vision.

Technik

Technical and innovative, the Technik rainwear range is engineered for maximum Waterproof, Wind-proof and Breathable performance. Designed to be worn in adverse weather conditions, the range incorporates clever styling with shaped panels for a comfortable and generous fit. The sophistication of Technik provides a 100% waterproof garment of unequalled strength, at the same time retaining exceptional suppleness.

Rainwear

The following Rainwear collections offer an outstanding choice of designs and colours, suitable for many end users. The best quality fabrics and high technology construction techniques are used throughout, guaranteeing the ultimate in all weather protection. Tested to withstand the rigours of everyday wear, each garment has been designed and manufactured with care, to ensure total satisfaction wear after wear.
