

PRODUCT NUMBER: 1016795

FALCON webbing self-retracting lifelines

6m, high abrasion resistance webbing, 2 std karabiners
aluminium

Honeywell
MILLER

Overview

Reference Number

1016795

Product Type

Fall Protection

Range

Fall Arrest Blocks and Winches

Brand

Miller by Honeywell

Industry

- Industry
- Building and Construction

Product Use

Self-retracting lifeline is the ideal fall protection solution for construction, industrial, warehouse, utility, mining and confined space applications.

Features & Benefits

Feature

Enhanced safety :

The quick-activating braking mechanism stops a fall within centimeters.

Greater comfort of use :

Lightweight.

Benefit

Self-retracting lifeline is the ideal fall protection solution for construction, industrial, warehouse, utility, mining and confined space applications.

Technical Description

External

Housing

High-impact resistant polyamide

Webbing

Polyester (length: 6m; width: 17mm)

Connectors

2 std karabiners aluminium

Performance

Breaking Strength

>1500daN

Weight (kg)

1.58kg

Operating Temperature

-30°C to +50°C

Complementary Information

520x145x70
