

Technical Details

MATERIAL: Polycarbonate
 CERTIFICATION: EN 166 / ANSI Z87.1 / EN 170 (clear) / EN 172 (smoke)
 OPTICAL CLASS: 1

120 g -5°C / +55°C

COLOR		NUMBER OF GRADUATION
015	Clear	2C- 1,2
009	Smoke	5 - 2,5

Features

Polycarbonate visor with innovative design and scratch-resistant lacquer coating. Its ergonomic and panoramic shape and the high level of quality of the lens provides maximum protection of the face and allows its continued use throughout the working day. Also suitable for spectacle wearers and is resistant even at high temperature. Applicable to the helmet using the easy-click system and the carrier.

Performances

EN 166

OPTICAL CLASS	1
MECHANICAL RESISTANCE – MEDIUM IMPACT ENERGY AND EXTREME TEMPERATURES (T= -5°/ +55° C)	BT
ANTI-FOG AND SCRATCH - RESISTANT SYSTEM	N
PROTECTION AGAINST MOLTEN METALS AND HOT SOLIDS	9

Visor assembling system

Additional info

GUARANTEE

3 years starting from the purchasing date.

SHELF LIFE

10 years starting from the year of manufacture stated on the product. The shelf life of the visor depends on various factors which cause deterioration, including sudden temperature changes, the amount of exposure to direct sunlight and the intensity of use. Altered vision and lines are elements that signal the need to check the state of deterioration of the visor.

CLEANING

Clean using only water and neutral pH soap and leave it to dry naturally. Do not use chemical detergents, solvents, petrol or abrasive powders as they are aggressive and could lower the structural resistance of the visor. Never rub the lens when dry.

STORAGE

Store in a dry and cool place away from UV rays. When not in use, the helmet should be stored away from direct sunlight and sources of heat and we recommend replacing the visor in its original packaging.

ADHESIVE APPLICATION

Do not apply adhesives, solvents, stickers or paint that do not comply with the manufacturer's specifications. Any alteration or addition that is not provided for may impair the protective function of the visor specifications.

Eye protection
