

HeiQ Synbio Athlete Spray

This probiotic spray balances the microbiome and helps break up the smelly components of sweat and grime to prevent odors on your feet, shoes and sportswear.

What makes it great:

- Naturally restores the skin's healthy microbiome with probiotics that rebalance the bacterial environment on feet.
- Probiotics support a balanced skin microbiome on your feet. Treats and prevents embarrassing odors with regular use.
- Probiotics break up the smelly components of sweat and grime at the source of the problem.
- Continues to function for days after spraying.
- Provides a cooling, refreshing sensation to the feet after sport
- Patented HeiQ Synbio Technology inside.
- 180ml / 6 oz

Made in Belgium
